

ICD-10 Implementation Resources

Professional Resources

- New CMS website built with the help of small practice physicians, “Road to 10” is a no-cost tool that will help you:
 - Get an overview of ICD-10 by accessing the links on the left
 - Explore Specialty References by selecting a specialty below
 - Click the BUILD YOUR ACTION PLAN box to create your personal action plan
 - <http://www.roadto10.org/>
- If you’re having trouble getting started with your ICD-10 implementation, the American Association of Professional Coders (AAPC) has a great way to start you on your way. There is a charge for this crosswalk.
- A copy is available from AAPC by going to this website link:
<http://www.aapc.com/ICD-10/crosswalks/pdf-documents.aspx> and providing some basic contact information.
 - Once you submit your information, a list of specialties will be displayed and you will be able to download the .pdf for any of the specialties you choose. The Crosswalk contains the top 50 ICD-9 codes and the corresponding ICD-10 codes and is especially useful for the most commonly defined diagnosis codes.
