2019-2020 ANNUAL REPORT

COMMITTEE: Continuing Education

Committee Chair: Sarah Choss

1. Primary Accomplishments in 2019-2020:

MSHA registered 12 courses for ASHA CEUs in 2019-2020, which were courses directly sponsored by MSHA and cooperative partners.

2. Major Challenges/Barriers:

Decreased communication with participants of courses, who had issues and did not receive CEUs. In the future, we hope to establish increased communication to ensure everyone is getting CEUs in a timely fashion.

3. Plans/Directions for 2020-2021:

Continuing to register course for MSHA and cooperative partners and provide opportunities for CEUs.
