

# APPLYING TO GRAD SCHOOL

2021 MSHA Conference

## DO YOUR RESEARCH

What are you looking for in a school?

- Faculty and staff
- Facilities
- Course selection
- Research opportunities
- Clinical placement options
- Location

## APPLY WELL

Gather your application materials and keep it organized. Pro tip: use a spreadsheet!

- Application (University and CSDCAS)
- GRE Scores
- Resume
- Personal and Academic Statements
- Letters of Recommendation

## NETWORK

Getting to know the people at your current school and at potential schools will help you stand out.

- Join student groups
- Participate in class
- Ask questions
- Attend events
- Audit classes

## BE YOU

Ours is a person-centered profession. The best way to connect with people as a clinician is to be a person yourself.

Set yourself apart by incorporating into your application your interests and activities that are outside of speech, language, and hearing.
