

THE 2023 MSHA HEALTHCARE COMMITTEE FALL WORKSHOP

TOPIC: "COMMUNICATION PARTICIPATION APPROACH In PALLIATIVE OR END-OF-LIFE CARE"

Robin Pollens, M.S., CCC-SLP
Adjunct Professor
Western Michigan University

Relevant Financial Disclosures: Will receive
honorarium

Relevant Non-Financial Disclosures: Reviewer of
palliative care articles

- Support the patient's ability to communicate in the context of their participation goals.
- Report communication & dysphagia goals and outcomes using a palliative care framework.
- Advocate for inclusion of the SLP in palliative & end-of-life care.
